 When printing the ring sizer, ensure that page scaling is set to 'None' on your print dialog box. (To open the print dialog box, press CTRL+P)

Choose one of the following:

Select a ring that fits snugly and comfortably for the intended finger and place the ring over the circles below until you find the perfect match

If you don't have a ring to measure, cut out the below ring sizer, wrap around your finger, inserting **A** through **B** and check which size you are.

mm indicates diameter of ring

Ring Sizer

Use a South African R5 coin to calibrate against this to ensure printing is at the correct size.
